2. RATIONALE OF THE SCHEME OF ARRANGEMENT

It is proposed to demerge the Demerged Undertaking (Food Division) of Chordia Food Products Limited into Aveer Foods Limited. The Demerged Undertaking and Remaining Business has been defined in Para No. 3.10 and 3.11 respectively given below. Both the businesses have matured & developed and are currently at different stages of maturity with differing capital and operating requirements including risk, competition necessitating different management approaches and focus. This arrangement would *inter alia* have the following benefits:

- 2.1 Segregation of business of the food division of the Demerged Company into Resulting Company in a manner provided in this scheme resulting into enhanced strategic flexibility to build a viable platform solely focusing on each of the business.
- 2.2 Allowing management of each company to pursue independent growth strategies and unlock significant value for shareholders
- 2.3 Allow in creating the ability to achieve valuation based on respective risk-return profile and cash flow, attracting right investors and thus enhancing flexibility in accessing capital;
- 2.4 Provide scope of separate companies for independent collaboration and expansion including expanding potential Clients/Customer market for each business.
- 2.5 Aveer Foods Limited will acquire the Food Division on going concern basis from Chordia Food Products Limited. Chordia Food Products Limited will focus on

other commercial activities/businesses mainly Food Infra Business and all other businesses including contract manufacturing. The demerger will ensure focused management attention and resources and skill set allocation.

2.6 The nature of Technology, Risk, Competition and capital intensity involved in each of the Undertakings of the Demerged Company is distinct from each other. Consequently, each Undertaking of the Demerged Company is capable of addressing independent business opportunities, deploying different technologies and attracting different set of Investors, Strategic Partners, Lenders and Other Stakeholders. Hence as a part of overall business reorganization plan, it is considered desirable and expedient to reorganize and reconstruct the Demerged Company by Demerging the Demerged Undertaking to the Resulting Company in the manner and on the terms and conditions contained in the Scheme.

2.7 Upon the scheme becoming operative, the investment in shares held in AFL as appearing in the Books of Accounts of CFPL shall stand cancelled and extinguished and result in Capital Reduction in the Resulting Company. This would enable the shareholders of the Demerged Company to hold shares in the Resulting Company in the same proportion in which they currently hold shares in the Demerged Company.
